

CLIMATE SYSTEMS, INC. PRODUCT LINE

[ABB](#)

- Adjustable Frequency Drives for HVAC Equipment

[Accutrol](#)

- Air Flow Lab Control Valve & Controls

[ACME Engineering](#)

- Gas & Refrigerant Detection and Alarming Sensors & Panels

[Acutherm](#)

- Thermally Actuated VAV Diffuser
- Electric Series VAV Diffuser

[Aldes](#)

- In-Line Exhaust Fans
- Dryer Venting Accessories
- Wall/Roof Caps
- Energy Recovery

[Ampco](#)

- Commercial/Industrial Stacks & Breeching Systems

[Bry-Air](#)

- Desiccant Dehumidifiers

[Camfil](#)

- Air Filters
- Filter Housings

[Car-Mon](#)

- Vehicle Exhaust Systems
- Fume Capture & Filtration

Carel

- Humidifiers – Electrode, Gas & Atomizing
- Distribution Tubes

CDI

- Custom Curb Adapters
- Isolation Curbs

ClimaCool

- Water Cooled Modular Chillers
- Air Cooled Modular Chillers
- Water to Water Heat Pumps
- Dedicated Outdoor Air Units

ClimateCraft

- Custom Air Handling Units/replacement AHUs
- Fan Matrix Replacement

ClimateMaster

- Water Source Heat Pumps
- Water to Water Heat Pumps
- Rooftop Heat Pumps
- DOA Heat Pumps

Cool-Space

- Portable Evaporative Cooling

DCA

- Pool Dehumidification Units
- 100% OA Units

Dunham-Bush

- Central Station Air Handling Units
- Air Cooled Chillers
- Water Cooled Chillers
- Ice Thermal Storage Systems

[IAP Air Products](#)

- Fume/Duct Arms
- Spark Trap
- Mobile Weld Fume Collectors
- Ambient Air Cleaners

[IMI/Flow Design](#)

- Self-Balancing Hydronic Flow Control Valves
- Manual Balancing Valves

[Friedrich](#)

- Vertical PTAC Units
- PTAC Units
- Through the wall Conditioners

[Greenheck](#)

- Fans & Lab Exhaust Fans
- Hoods & Kitchen Hoods
- Make-Up Air Units
- Energy Recovery
- Louvers
- Fire & Fire/Smoke Dampers
- Electric Coils
- DOAS Units
- Rooftop Units

[International Environmental](#)

- Fan Coil Units, Blower Coil Units, Cabinet Unit Heaters
- Air Handling Units

[Hart & Cooley](#)

- Residential & Commercial Grilles, Registers & Diffusers

[heatfab](#)

- Single & Double Wall Commercial Venting Products

[KB Duct](#)

- Industrial Sheet Metal Components and Systems
- Clamp Together Duct System

Kinetics

- Commercial Duct Silencers
- Pressurized Plenums & Panels
- Acoustical Louvers

Krueger

- Air Terminals
- Grilles, Registers and Diffusers
- Displacement Ventilation
- Raised Floor Distribution
- Fan & Blower Coil Units

Lennox

- Packaged Rooftop Units
- Furnaces & Condensing Units
- Split Systems
- Gas fired Unit Heater

LFSystems

- Laundry Exhaust system
- Prefabricated Shaft
- Stairwell pressurization System

LG

- PTAC Units
- Ductless Split Systems
- Multi-Split Systems
- Variable Refrigerant Flow Systems

Link Industries – Lindab Products

- Single or Double wall Spiral & Flat Oval Ductwork

Macurco

- Building Gas Detection Solutions

Mafna

- Custom Air Handling Units
- Custom Packaged Rooftop Units
- Make-up Air units
- Energy Recovery Units
- Custom Lab Exhaust Heat Recovery Units

MagicAire

- Unit Ventilators
- Air Handling Units
- Blower Coil Units

Metalaire

- Register, Grilles & Diffusers
- VAV & Fan Powered Terminals
- Healthcare, Lab & Cleanroom HVAC Products

Neptronic

- Humidifiers – Electrode, Gas & Atomizing
- Distribution Tubes
- Electric Heaters

Bipolar Ionization Technology

- Needlepoint air ion Generators
- Tube air ion Generators
- Mobile Plasma & filtered Remediation Unit

Precision Coils

- Hydronic Coils
- DX Coils
- Insulated Cased Coils
- Steam Coils

Prihoda

- Textile Air Dispersion Products

Quest

- DX Dehumidification Units
- Desiccant Dehumidification Units
- Air Movers
- Air Scrubbers

Qmark

- Electric Baseboard Heaters
- Commercial & Industrial Electric Unit Heaters
- Electric Radiant Panels
- Air Curtains

Rapid Engineering

- Direct and Indirect Fired Make-Up Air and Evaporative Cooling

Re-Verber-Ray

- Electric Radiant Heaters
- Gas Tube Radiant Heaters
- Infra-Red Heaters
- Gas Fired Unit Heaters

Seasons 4

- Direct Replacement packaged Air Handling/Rooftop Units
- Packaged custom Air Handling/Rooftop Units including energy recovery, condensing units, evaporative cooling, water-cooled condensers, vestibules, ect...

Specified Controls

- Modulating & Two-Position Zone Control System
- Stand Alone Single Zone
- Thermostats
- Twinning & Lead/Lag Controllers

Partner
of

Schneider Electric/T.A.C/Invensys

- Energy Management and Temperature Control Systems
- Variable Frequency Drives

SMARTD Chillers

- Oil Free Air & Water Cooled Chillers

Sternvent

- Dust-Collectors & After Filters

Stulz

- Energy-efficient cooling solutions for mission Critical applications

Swegon

- Modular ERV Wheel or Plate with integral heating & cooling
- Modular Air Handling Units
- Chilled Beams

Turbonics

- Cabinet Unit Heaters
- Convector
- Fin-Tube Radiation

UVR (Steril-Aire)

- Ultraviolet Lights for HVAC Systems

US Draft Co.

- Vent Control Systems
- Draft Control Systems

VTS

- 2" Double Wall Blower Coil Units
- 2" Double Wall Modular Air Handling units
- Energy Recovery Configurations Available
